(D) No.

(E) Literary and drawing classes, for 2 hours daily. Industrial work for 5½ hours daily.

(F) The Headmaster in consultation with the Industrial Asst. and the teachers concerned fixes the price which is arrived at by adding the cost of materials used for the manufacture of the article, the labour charges and 5 to 10 % of the cost of materials by way of supervision charges taking care to see that the price does not exceed market rate. As regards the work turned out by beginners, i. e., the 1st and 2nd year boys, the quality being inferior, the articles turned out by them are sometimes sold for the cost of materials and even for a lesser price.

Kuttadan Crops.

622. Mr. Ouseph P. Kundukulam.—Will the Government be pleased to inform whether they are aware of the fact that in *kole* lands the cultivators have been experimenting the raising of the *Kuttadan* crops;

(b) will the Government be pleased to inform whether the Agricultural Department has given any, and if so, what encouragement to the enterprise; if not, why not?

Mr. I. Raman Menon.—(a) Yes.

LIBRARY ARCHIVES Kerala Legislative Assembly

(b) 1st part. No. 2nd part. The Department had no occasion to consider this question as no request for help or advice has so far been received in this matter.

Sale of timber.

623. Mr. C. A. Kunjunni Raja.—Will the Government be pleased to state :—

(1) how many auctions were held in Chalakkudi depot in Thulam 1104 and how many candies of teak and rosewood were sold and by whom was the major portion of the rosewood purchased ; how many classes of logs were there with the maximum and minimum girth, as well as the average price realised per candy ;

(2) (a) as per the contract, dated 3rd February 1912, how many thousands of candies of teak were supplied to Messrs. T. Namberumal Chetty & Sons and the average price per candy ;

(b) how many candies of teak toplings were sold to the same person and the average price per candy ;

(3) (a) as per the contract of 10th July 1925 for 3,800 candies of rosewood to Messrs. Mugaseth & Sons, how many candies were taken charge of and were there any classifications; if so, how many and the rate for each sort ; what was the net amount realised per candy from the said contractor ; why 1,300 candies were given to the Firm as allowances against the Hill Dpot measurement ;

(b) what was the prescribed rate of the rosewood toplings given on seigniorage contract to Messrs. Mugaseth & Sons ;

(c) how many candies of rosewood and ebony have been sold to Messrs. Mugaseth and Sons from 1100 onwards and, if figures available, for the last 10 years ;

(4) during the recent auction sale on 10th Thulam 1104, how many logs were bidden by Mr. M. L. Varied and the average price per candy realised ; were these logs below 14 *vannams* ;

(5) what is the collection charge the Government has incurred for the rosewood logs sold on 10th Thulam 1094 and what is the net amount the Government has realised by the said auction sale ;

(6) what is the loss estimated by the Comptroller of Accounts in 1102, on audit of the accounts of Messrs. T. Namberumal Chetty & Sons, Mugaseth & Sons and V. K. Ammunni Menon ?

Mr. K. Govinda Menon.—(1) Only one auction was held in Thulam 1104. 161-1-1-12 candies of teak below 12 *vannams*
